KINDERGARTEN VISIT DAY DETAILS

Pacelli Catholic Elementary School-St. Stephen (PCES-St. Steve's) is a K-4 school in Stevens Point. In choosing to send your child to kindergarten at PCES-St. Steve's we thank you for trusting us with your child's education. Our staff and parent community are wonderfully supportive and we're positive you and your child will enjoy your experience as part of our Pacelli Catholic Schools family! Below are some important details for the Kindergarten Visit Day. If you have any questions, please contact Holly Bella in the school office at 715.344.3751.

▶ VISIT DAY: FRIDAY, MAY 7 | 9-11AM | PCES-ST. STEVE'S KINDERGARTEN CLASSROOMS

This special day is for the students only (no parents/guardians). This is a great opportunity for your child to meet and interact with their new classmates, get to know the teachers, see the school, and participate in some school day activities to get them acclimated for the fall semester.

Watch for more details on a parent meeting in August as the 2021-2022 school year approaches.
