

SUMMER 2021

PACELLI CATHOLIC SCHOOLS

SUMMER PROGRAM CATALOG

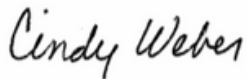

WELCOME TO OUR NEW SUMMER PROGRAM CATALOG

Pacelli Catholic Schools is excited to be expanding our summer program offerings this year! Our youngest students will love the Cardinal Kids Summer Fun program at our early childhood center. Summer Blast will still be the fun, fantastic program that we have traditionally offered, but we are excited to be adding four-day Summer Camps and a six-week academically based Summer School. There are opportunities for one-on-one tutoring through our Cardinal Learning program and many ways for your child(ren) to get active with the PCHS Summer Adventure PE class and athletic performance camps. We have such a great variety of exciting opportunities and are thrilled to be interacting with our kids of all ages in new and exciting ways!

We are looking forward to seeing you this summer!

In faith,

Cindy Weber

SUMMER CAMPS

SERVICE LEARNING

FOR CHILDREN ENTERING GRADES 8-12 IN THE 2021-2022 SCHOOL YEAR

We are called to care for one another. We sometimes hear about people in need but who is helping them when we aren't hearing about them? Spend some time learning about the people and organizations in our local community that step up to meet this need. Students will engage in direct service to others through various organizations that assist people in need throughout the year. Be ready to pitch in and directly serve others who are in need and learn how you can make literal service learning a part of your life today and in the future. Learn what you can do to assist people in our local community that are in need.

SUMMER ADVENTURE PE

FOR PCHS STUDENTS ENTERING GRADES 9-12 IN THE 2021-2022 SCHOOL YEAR

This Summer Adventure Physical Education Curriculum will include some classroom/fitness center setting learning, lots of outdoor activities and games. Students will learn about physical fitness and how it helps the mind and body to thrive. Students will also learn about nutrition, sleep, and hydration. Students will learn about various types of exercise and how and when to use them. Students will develop an understanding of exercise prescription and will be able to create their own workout regime. There will be some virtual learning, activity and dietary logging and learning how to use an app to create your own workouts. The class is intended to teach students about lifelong participation in physical activity. This class is designed to have fun and to learn about the benefits of physical activity so that it becomes a habit and not a burden for lifelong health.

Parents are responsible for transportation of students to the site of course activities.

DATES & DETAILS
