

A MESSAGE FROM MR. HANSEL

One of my favorite poems is attributed to Saint Teresa of Calcutta, known to many as simply Mother Teresa. It is a series of encouragements. *Here are just a few examples:*

"People are often unreasonable, irrational, and self-centered. Forgive them anyway. If you are kind, people may accuse you of selfish, ulterior motives. Be kind anyway."

"If you are honest and sincere, people may deceive you. Be honest and sincere anyway."

"The good you do today will often be forgotten. Do good anyway."

So much of what we try to do with students is in sync with that poem. We try to help our students be forgiving, even when it is tough, to be kind, even when it may take sacrifice, to do good things for the world, even though it may not help us personally. It is not always easy for students to do that, but together we have to continue that work. The final line of the poem sums it up. "In the final analysis, it is between you and God. It was never between you and them anyway."

The start of our school year has been wonderful. For the first time in many years, our enrollment from three year-old preschool through grade twelve has gone up. The increase isn't huge (up 14 students for a total of 780 students) but it is certainly movement in the right direction. We always have room for more, so keep spreading the word.

As I briefly noted in our last publication, thanks to the generosity of Dr. Joseph and Charlene Jarabek, Pacelli Catholic High School has a new fabrication laboratory (fab lab). This fab lab, known to students as the idea lab, has a number of different pieces of equipment, like a laser engraver, 3D printer, banner maker, and more. Student interest is very high! The courses will teach practical business and manufacturing skills to students. It is a great way to bring real life learning into the school.

I hope you all have a blessed Christmas. May God continue to bless you and your family!

The Pacelli Annual Fund

Pacelli Catholic Schools is a community blessed with an abundant number of wonderful families proudly carrying on the tradition of Catholic education. It gives us great joy to highlight our alumni, grandparents, parents, and students. This year, we're privileged to have the Marten family serve as Pacelli Annual Fund Co-Chairs and share their story with each of you.

"As time goes on, as generations move ahead, it seems even more valuable to be able to not only participate in - but help foster and grow the Pacelli Catholic School legacy. We are very proud to be parents of two Pacelli graduates (David '99 & Paul '00) and grandparents of three children (Thomas '29, Abby '31, and Carolyn '33) currently enrolled in the Pacelli system."

PACELLI CATHOLIC SCHOOLS WINTER 2018

Senior Service Day and All Saints Day

The good you do today will often be forgotten. Do good anyway. Mother Teresa

SENIOR SERVICE DAY
Each fall, Pacelli seniors team up to serve our community. Whether it's cleaning up a Catholic cemetery, cleaning the Sisters of St. Joseph Convent and the sisters' cars, working with teachers and students in our elementary schools, or cleaning up our Catholic parishes and schools, our seniors dedicate a full day to doing good for others.

ALL SAINTS DAY
Second graders at our elementary schools get to take a deep dive into learning more about a saint. Students spend weeks researching and learning about different saints, culminating with All Saints Day Mass in which they dress up as a saint and present to parents and parishioners a few fun facts about their chosen saint.
