Pacelli Catholic Schools
**Purchase Gift Cards,
Save On Tuition**

Already hitting the department or hardware stores, dining out, filling up with gas, grocery shopping, or planning a vacation? Why not earn tuition dollars while you're at it! PCS purchases gift cards from local and national businesses at a discount ranging from 2-20%, selling the gift cards at face value, and putting the profits towards our schools and your tuition. Anyone - including your friends and family - can purchase gift cards to earn tuition dollars for your family.

K-12 FAMILY FEE

Families must earn their \$400 family fee each year through the gift card program, magazine sales, or by paying the fee. While earning your family fee, 100% of the profit from the gift cards goes towards that fee. After the \$400 fee is met, 50% of any profit earned is credited to your tuition account. The gift card year runs from April 1-March 31.

EARNING FOR FUTURE TUITION

Families with children not yet in kindergarten can purchase gift cards, no matter the age of your child, and 50% of the profit earned will be applied to your child's future tuition bill.

Earn tuition credit by purchasing gas and groceries.

TRACK YOUR PURCHASES

Access pcs.scriporder.com using your Skyward login credentials to check your account balance and track your progress towards earning your family fee and tuition credit. Not a current family but still earning for future tuition? Call the Pacelli Catholic Schools Central Office at 715.341.2445 for an update on your tuition credit balance.
