

PACELLI CATHOLIC SCHOOLS SUPPORT STUDENT SCHOLARSHIPS

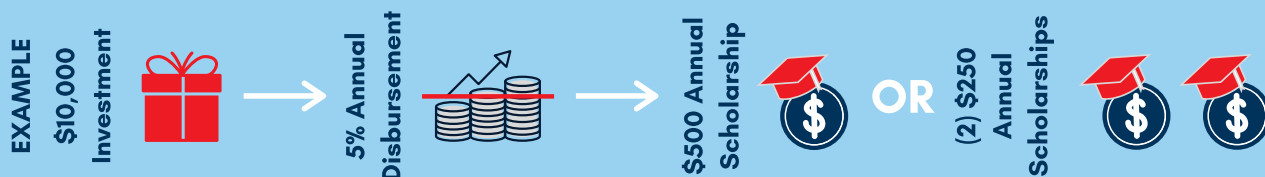

Scholarships and tuition assistance funds are, in many families' case, the means by which they fund a Catholic education for their children. At Pacelli Catholic Schools, we believe that finances should never be a barrier to affording a Catholic education for any family. In today's world, with rising tuition costs and a higher cost of living, the need to build a greater fund balance in our pool of scholarships and tuition assistance funds is crucial. Plus, as a donor, it gives you the opportunity to recognize things like academic achievement, community service and engagement, leadership skills, and other defining characteristics our students exhibit.

Pacelli Catholic Schools is blessed with donors who have established scholarships and tuition assistance funds in the past but the need continues to grow each year. Now it's up to you to make the commitment to ensure Catholic education remains a vital part of our community as we continue to support the growth and development of our students – our future leaders.

There are three primary ways to establish a scholarship or tuition assistance fund at Pacelli Catholic Schools:

1. Give an annual gift by January 15th to be awarded, in full, to scholarship recipient(s) for the following school year.
2. Establish an endowed scholarship through the Pacelli Education Foundation where a corpus balance earns interest. With a minimum investment of \$5,000, the set 5% annual disbursement establishes a \$250 scholarship awarded annually, named in honor or memory of an individual(s). The bigger the investment, the greater the scholarship amount (ex: \$10,000 investment results in \$500 annual scholarship).

3. Give to the Heart of Education Tuition Assistance Fund that provides support annually for students based on their families' financial need.
